Commercial NinetyFive 340FR

Durability and FR compliance are now combined to create premium fabrics providing maximum performance.

Our FR fabrics meet the most stringent Fire Standards for shade fabrics including CSFM 1237.1 & NFPA 701 across all color variants with fabrics that offer biaxial stability and tensile properties, for minimal maintenance and improved fabric life.

GALE offers Fire Retardant fabrics in the industry's widest assortment of weights and colors to meet your project requirements.
